**RESPONSE TO ELECTION REQUIREMENT**

Assistant Commissioner of Patents  
Washington, DC 20231

Sir:

The February 22, 2005 Office Action includes an Election of Species Requirement that indicates that this application contains claims directed to three (3) patentably distinct species. More specifically, Applicants are required to elect one of the following patentably distinct groups/species for prosecution on the merits under 35 U.S.C. §121:

- I. Figures 10-14 (claims 1-4, 6-9 and 13-29);
- II. Figures 15-21 (claims 1-4, 6, 10-26 and 30-32); and
- III. Figures 22-28 (claims 1-3, 6-9 and 35-49).

Additionally, the Office Action indicates that claims 1-3 and 6 are believed to be generic to the three (3) patentably distinct species.

In response, Applicants hereby elect *Species I* illustrated in Figures 1-14 *without traverse*. Applicants believe that claims 1-4, 6-9 and 13-29 read on the elected Species I. Accordingly, Applicants respectfully request examination of claims 1-4, 6-9 and 13-29. Claims 5, 10-12 and 30-49 are believed to be directed to non-elected species. Thus, these claims 5, 10-12 and 30-49 can be withdrawn from consideration in this case. However, Applicants

Appl. No. 10/721,070  
Appl. Filed: November 26, 2003  
Response dated February 28, 2005  
Reply to Office Action of February 22, 2005

respectfully request that these non-elected claims be rejoined in this application and considered upon the allowance of a generic and/or linking claim in accordance with U.S. patent practice.

\* \* \*

Prompt examination on the merits is respectfully requested.

Respectfully submitted,

Patrick A. Hilsmier
